*Oh, when the Saints go marching in,
Oh, when the Saints go marching in,
Oh, how I'd love to be in that number

THE BEST END STARTS WITH

The beginning of school is a gathering time to gossip, and talk over things that happened the night before. Sean Allen waits in his car and listens to the radio waiting for school to start. Mike Johnson walks alone dreading the day ahead.

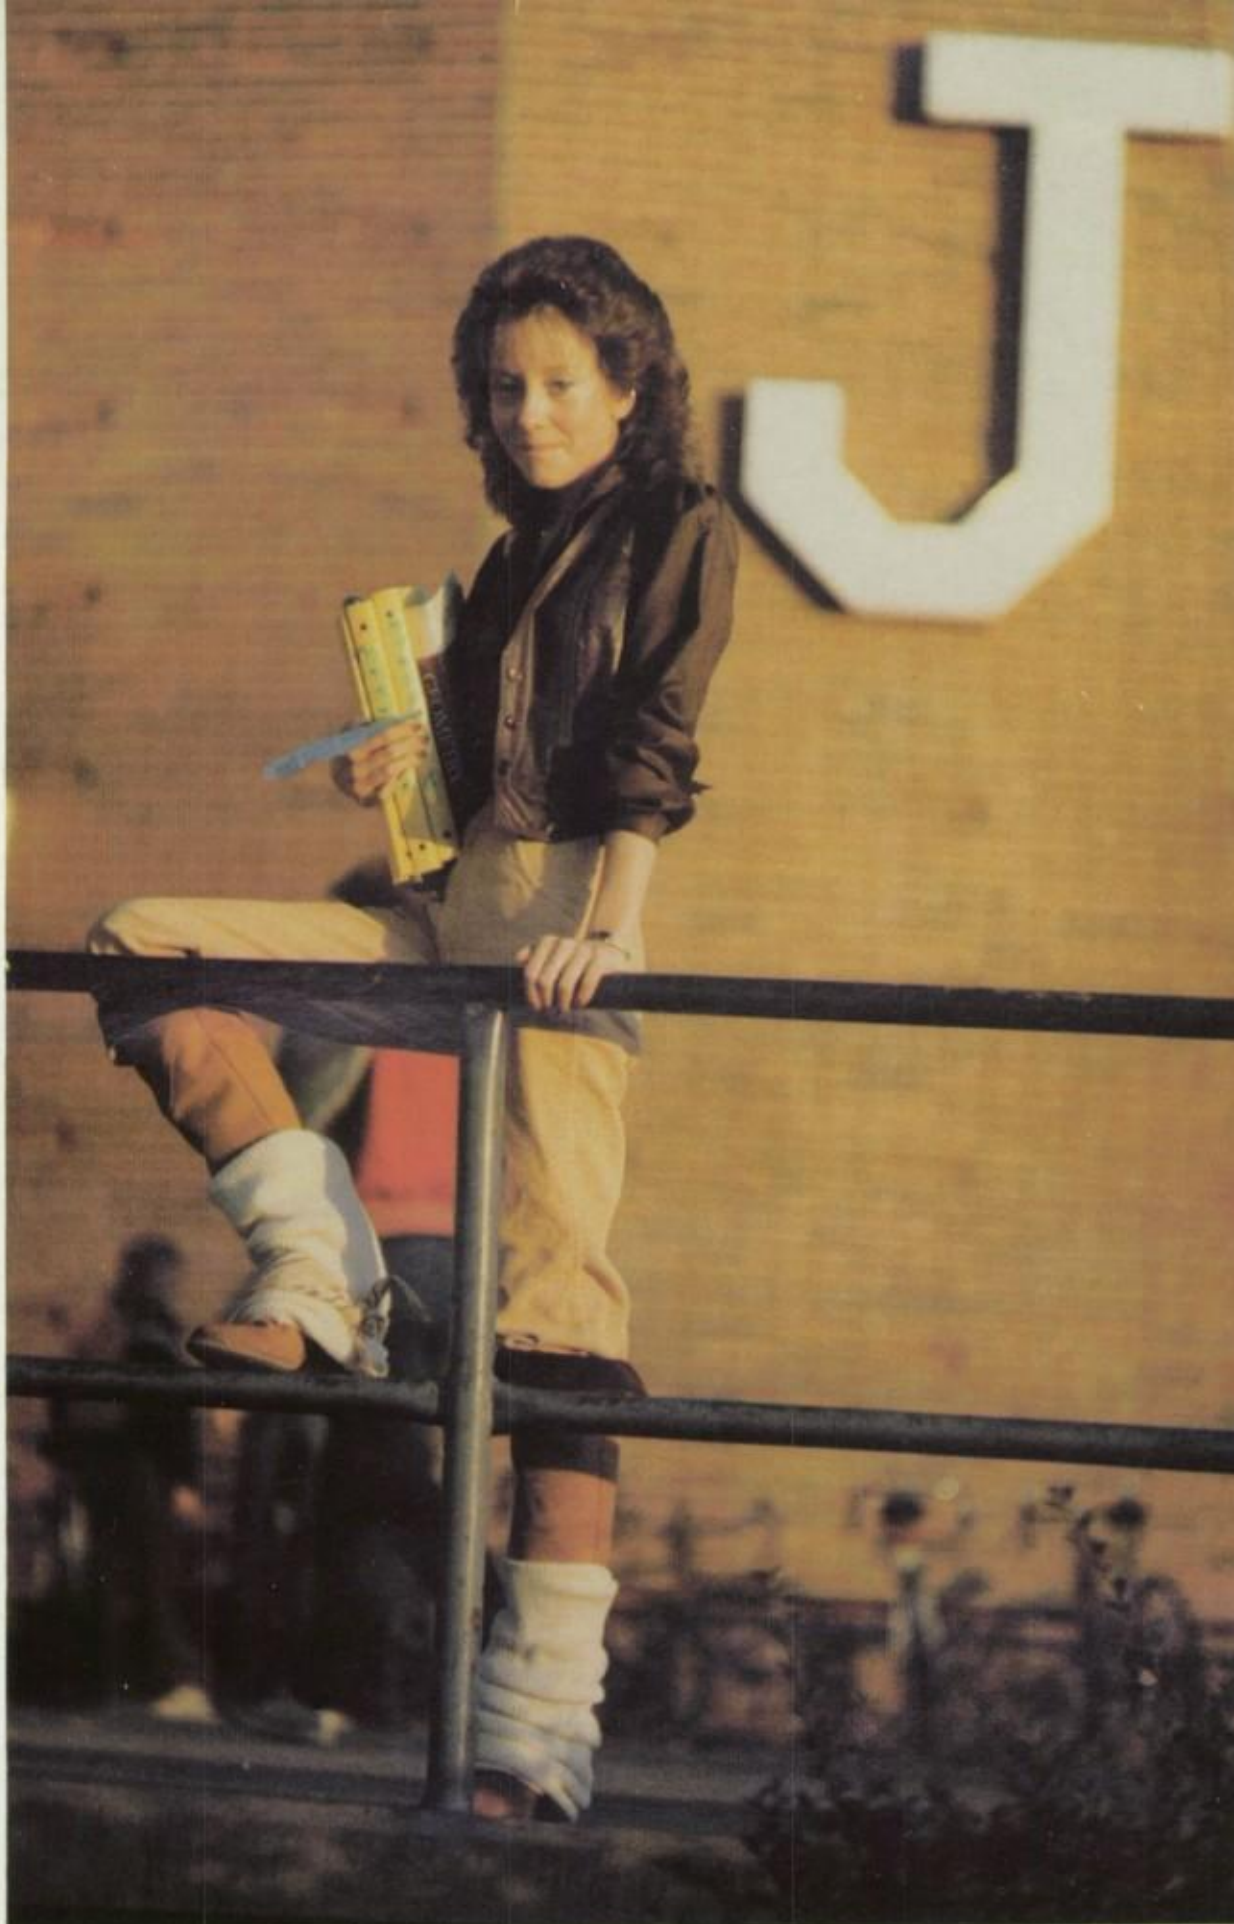

A GREAT BEGINNING.

**AS THE SUN BREAKS
THROUGH THE DARKEST
CLOUDS
EVEN THE DARKEST
DAYS
CAN HAVE A BRIGHT
BEGINNING**

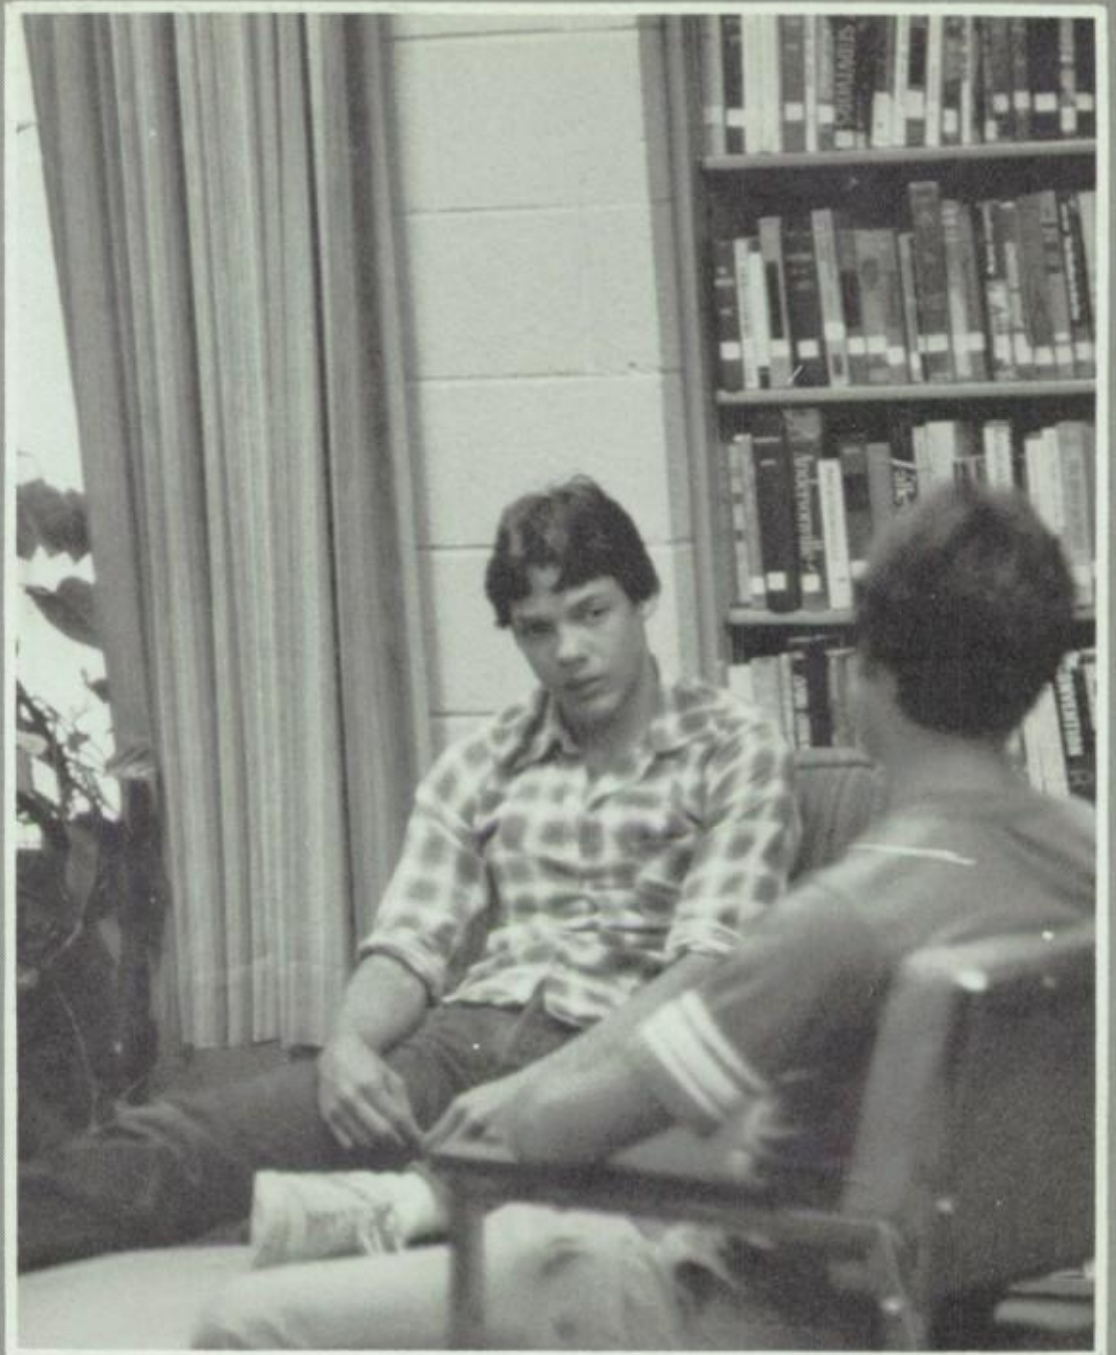

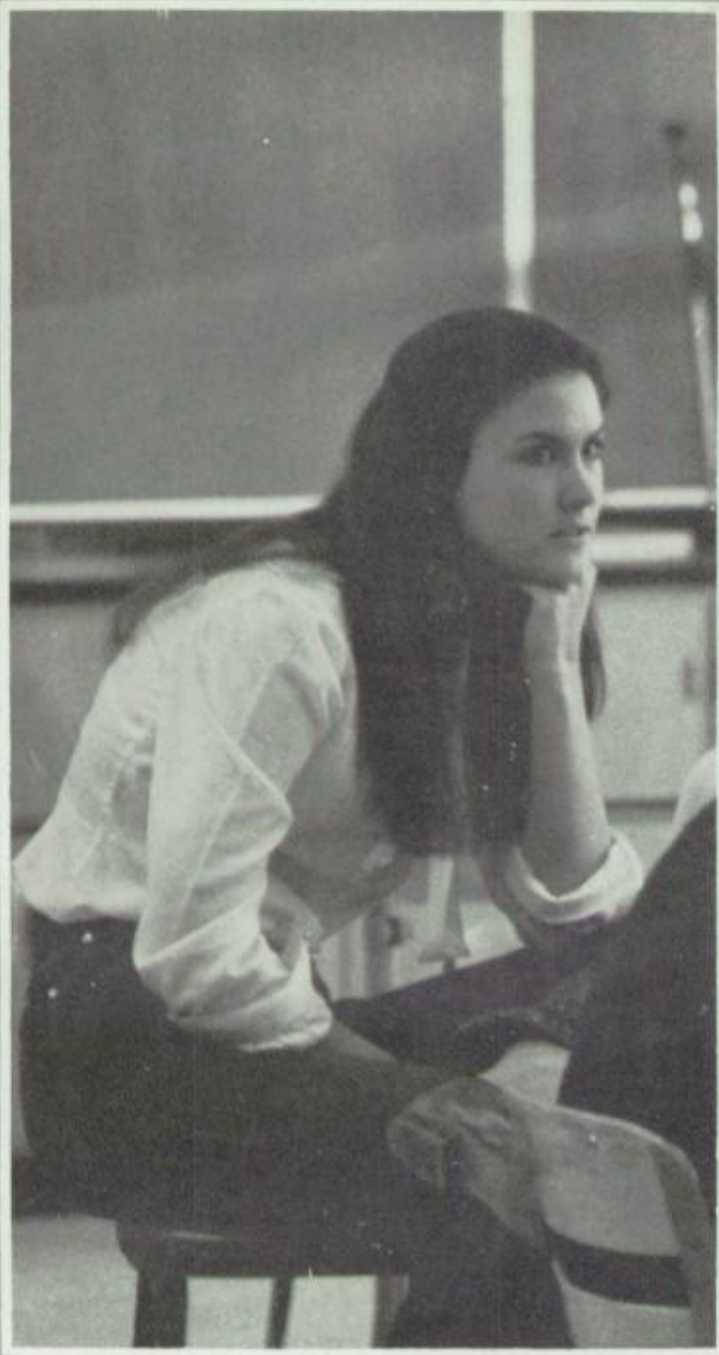

Even though school starts at 7:30 some students get here early to do their homework and talk to their friends, while other students barely make it to school on time.

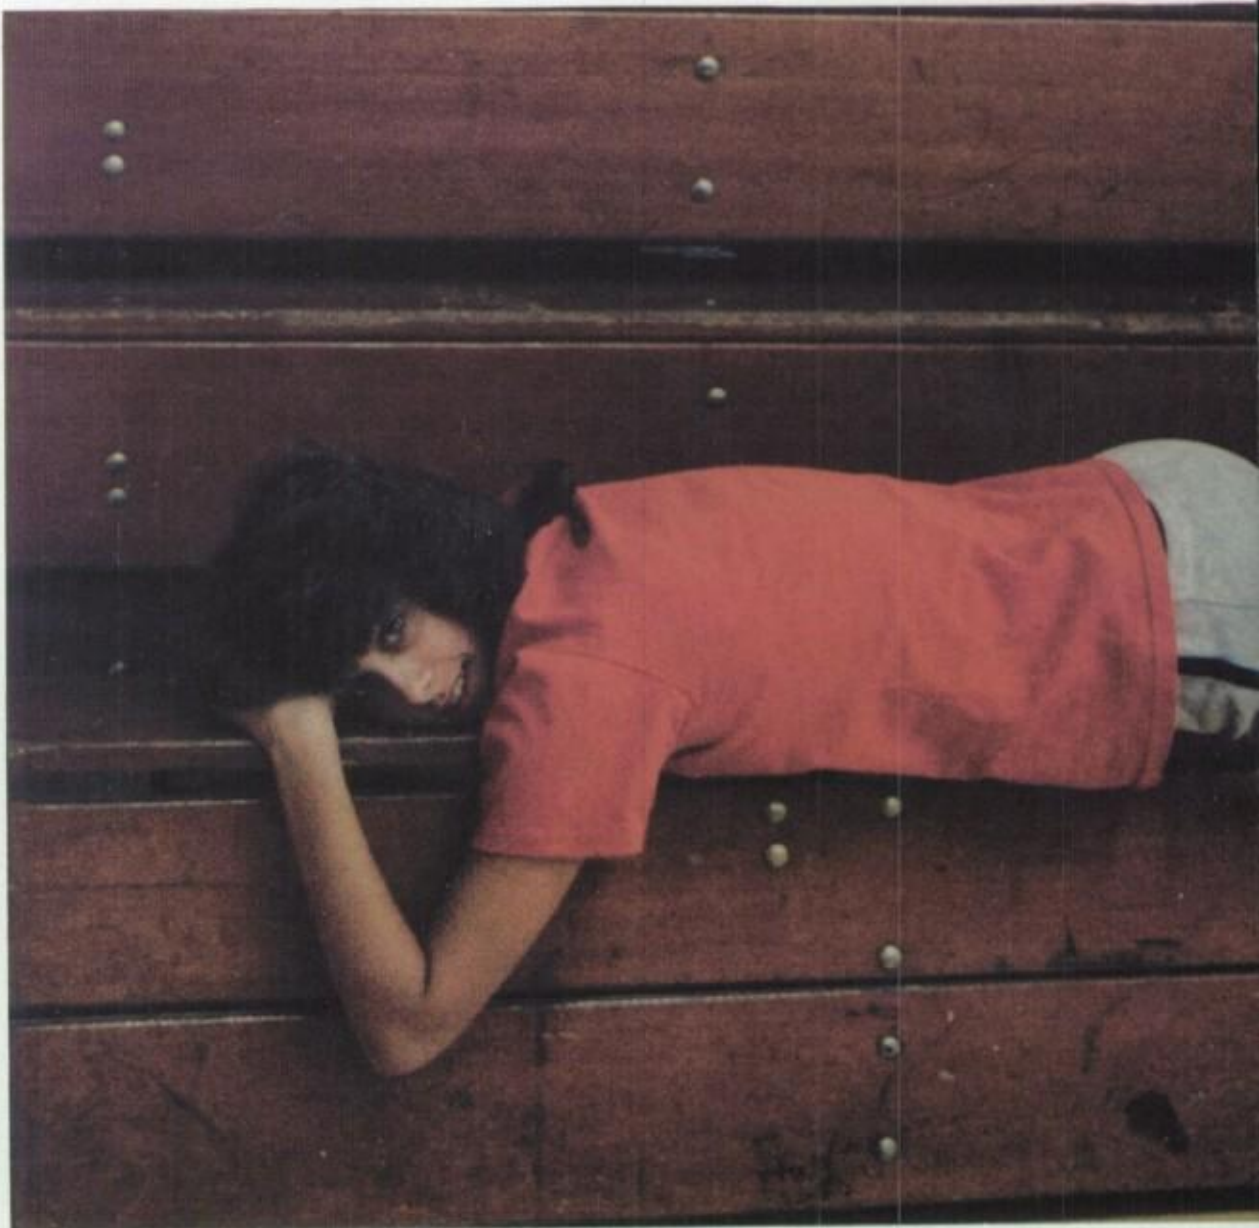

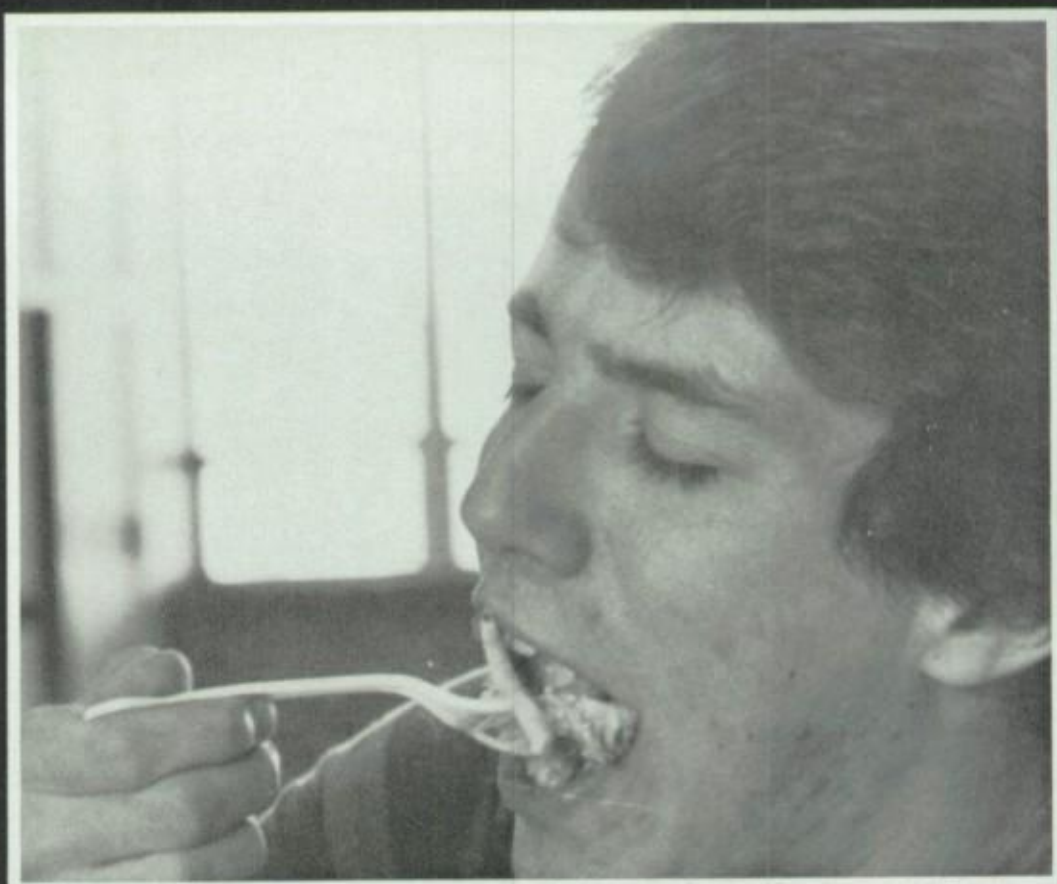

You'll always see a Saint busy doing something whether it's studying or just being lazy. To the left you can tell everyone likes to study., Don Bates, top right, makes himself comfortable while waiting for the class to end.

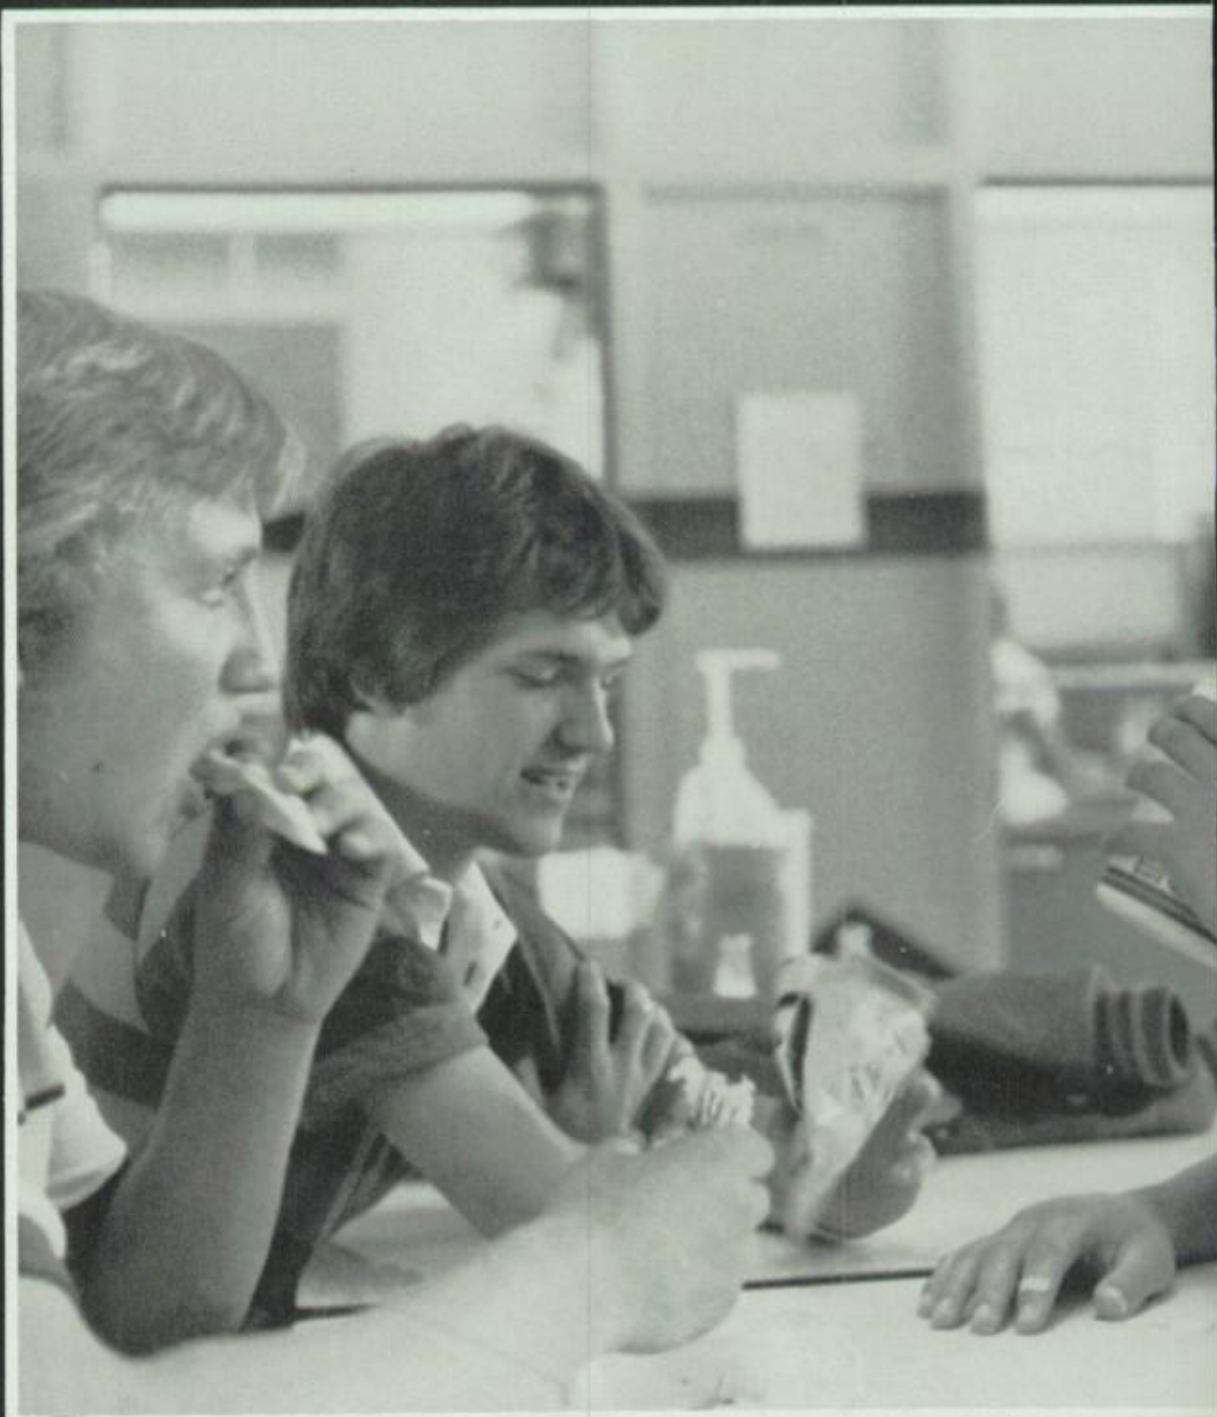

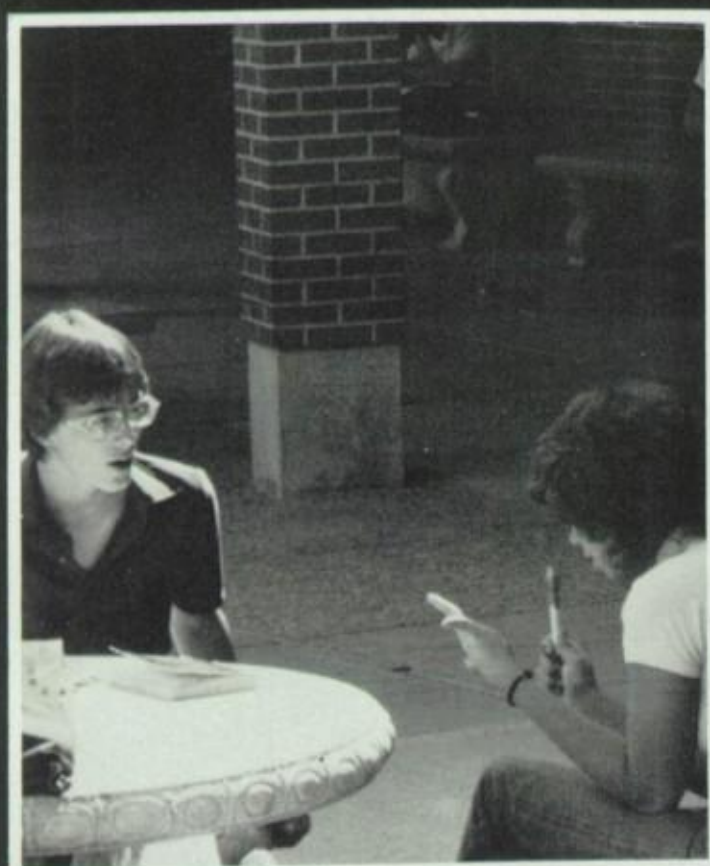

The intensity of the classroom is broken by fleeting moments of rest, time spent with friends, and a sunny afternoon in the courtyard.

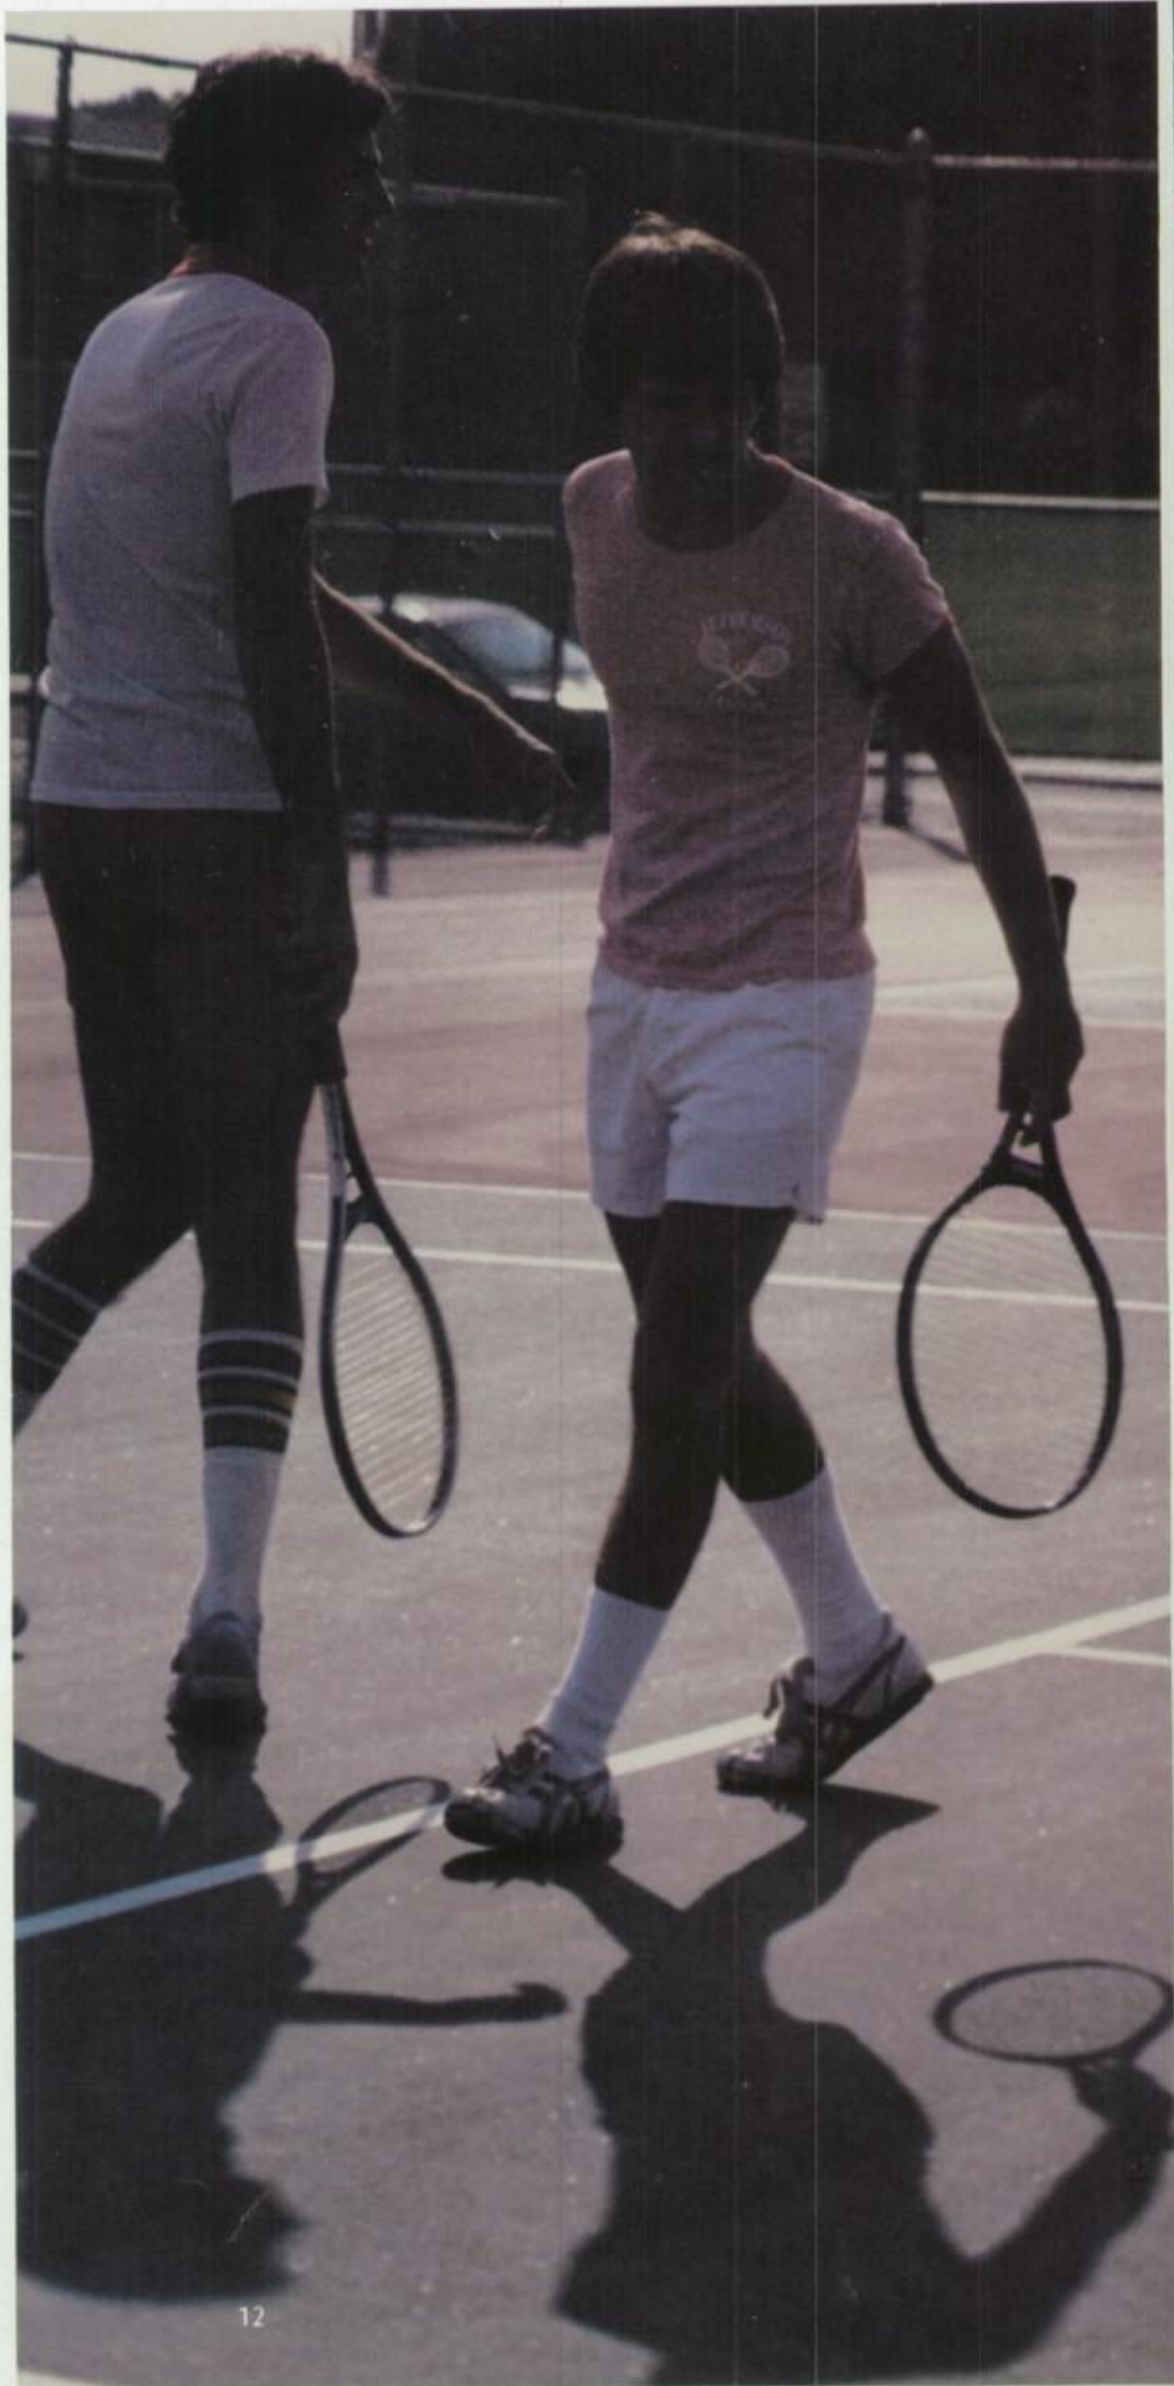

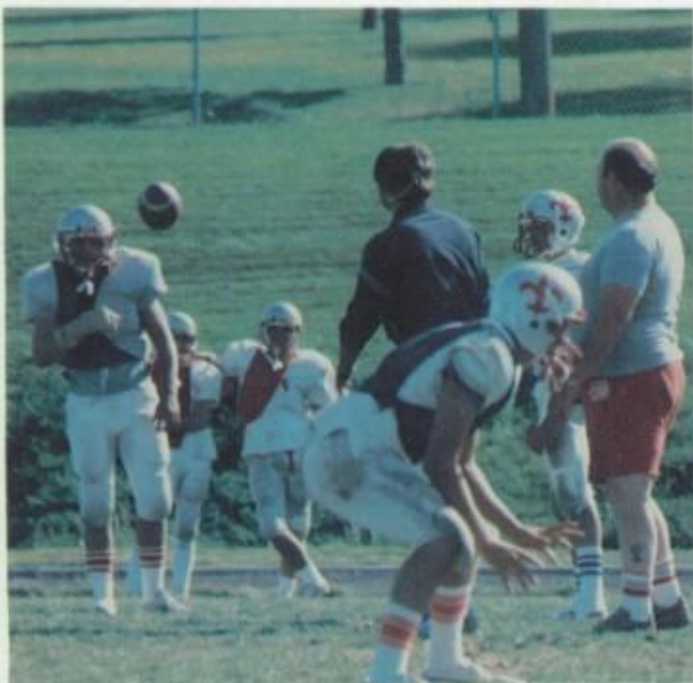

To the right, Rick Sausa, Roger Pfannensteil, and Tom Laird talkover how the food tasted. Sean Hamilton in the top right screams for more and gets it. Joe Catronio and Ada Markouski look satisfied with the lunch they just ate.

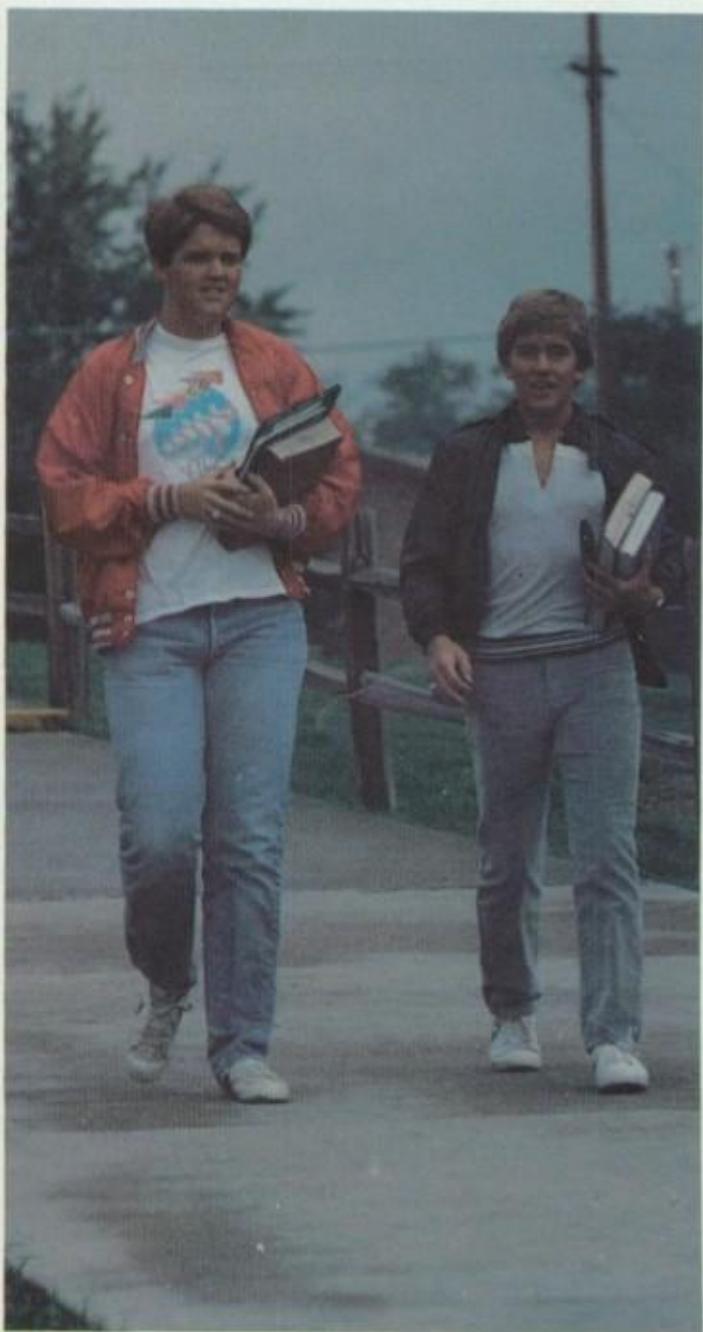

During lunch Kevin McGee takes a nap and enjoys the sunshine and fresh air, while Mark Shaw is inside having a Zemi attack, but his cup is stuck. After lunch Lisa and Shawna are deciding which books they really need for class.

THE FOOTFALLS

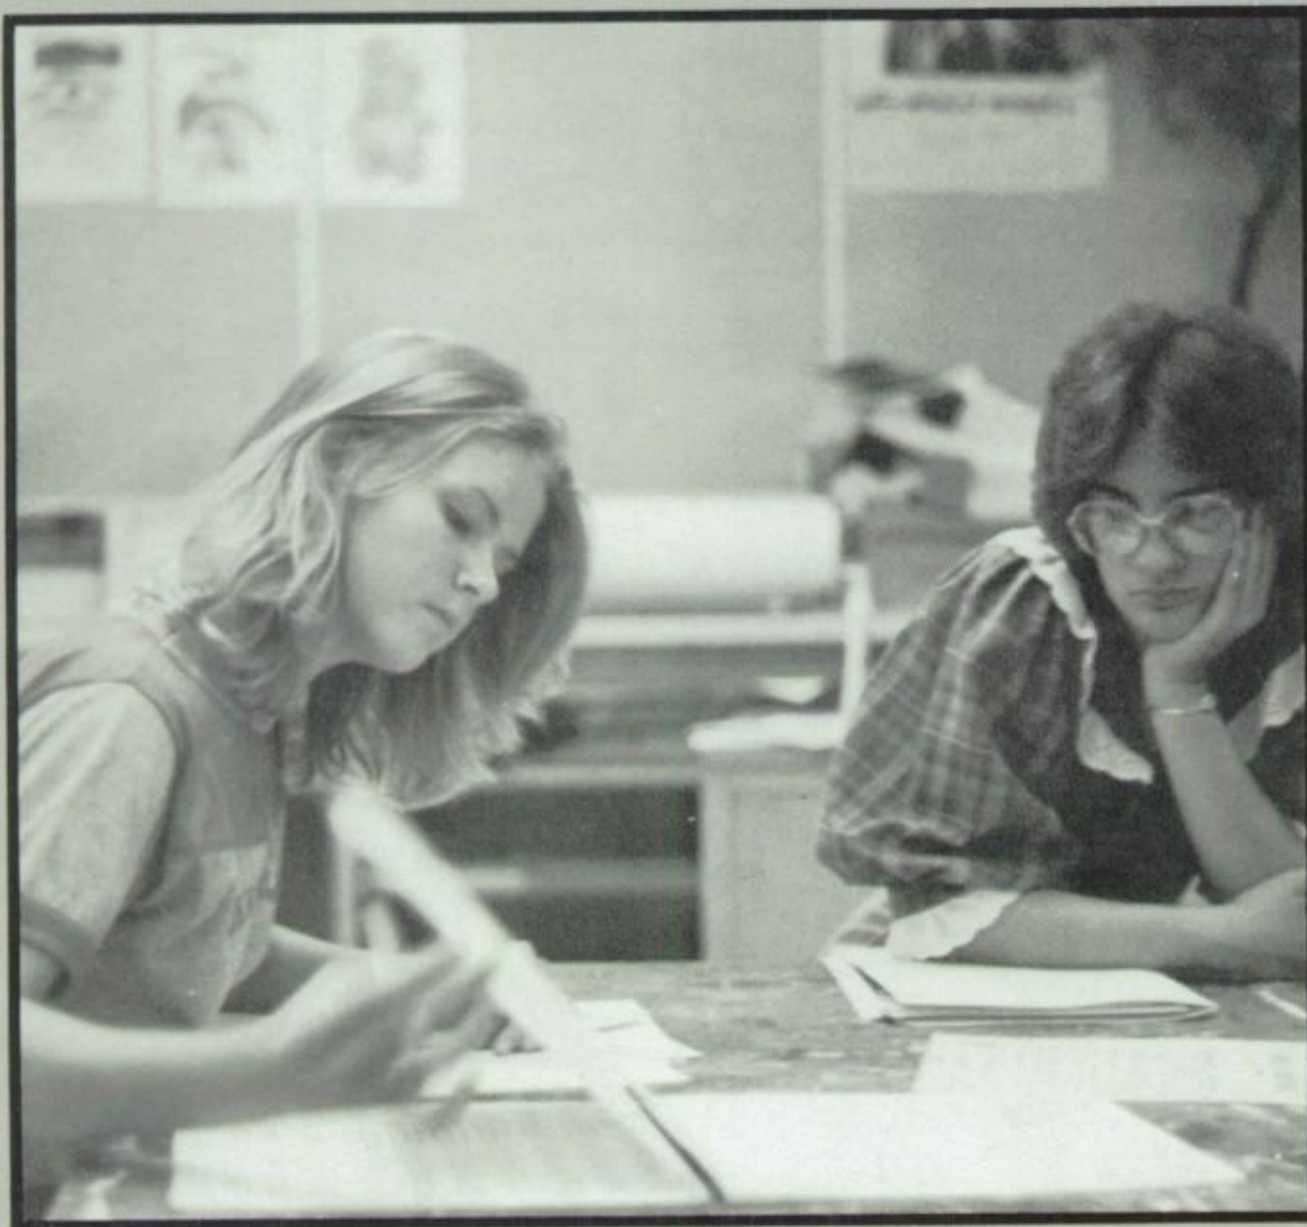

THROUGH THE HALLS

At Jefferson High, the school day doesn't end at 2:00 o'clock when the afternoon bell rings. Extracurricular activities sometimes go on until 10:00 o'clock at night.

ECHO IN MEMORY . . .

The pace slows . . . on to after school activities, a Zemi break, and finding friends in the lobby for a ride home.

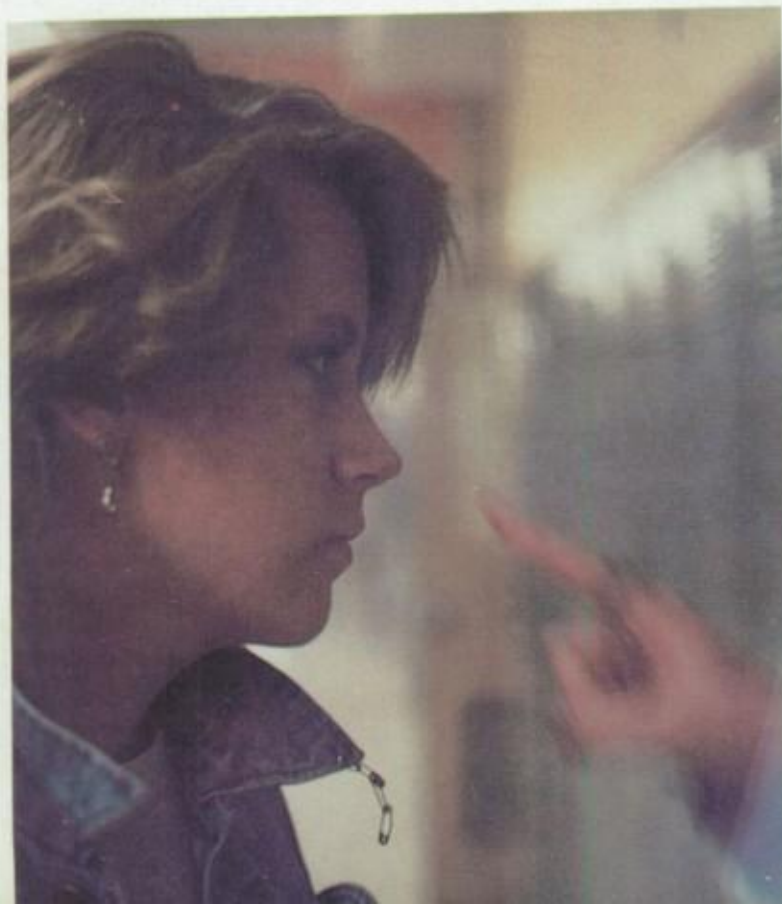

A-LOVE-FOR-SCHOOL

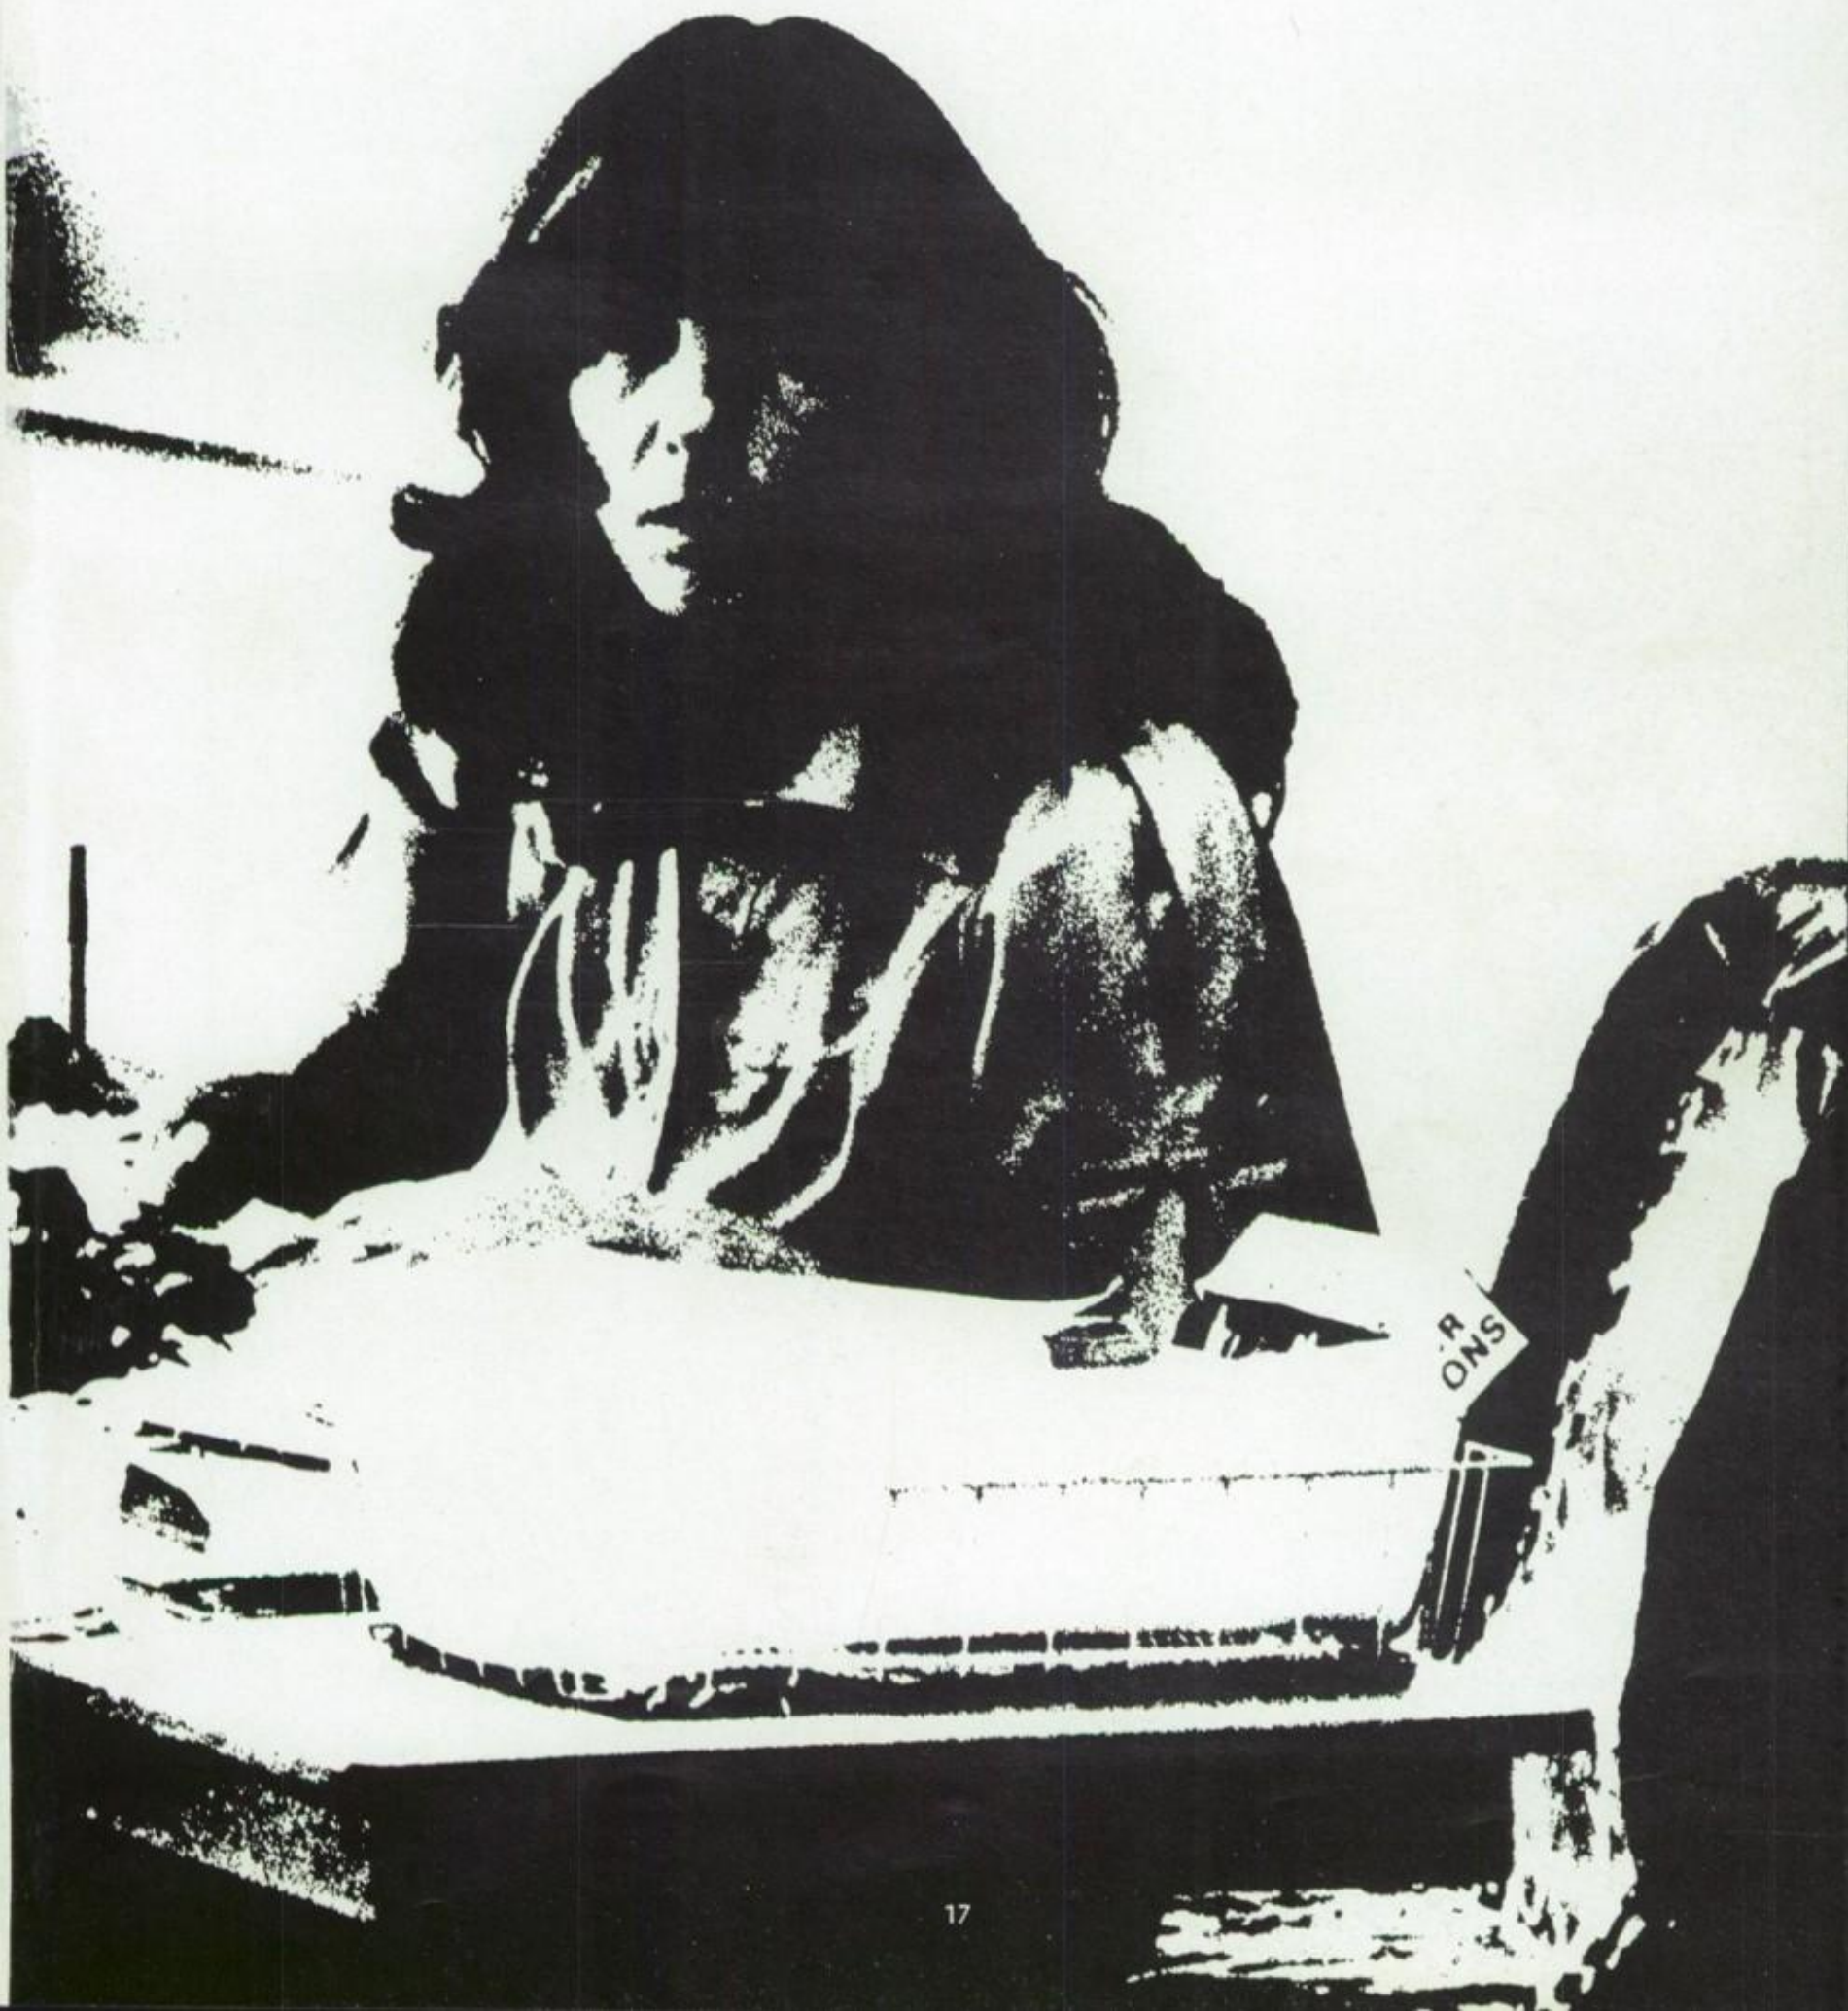

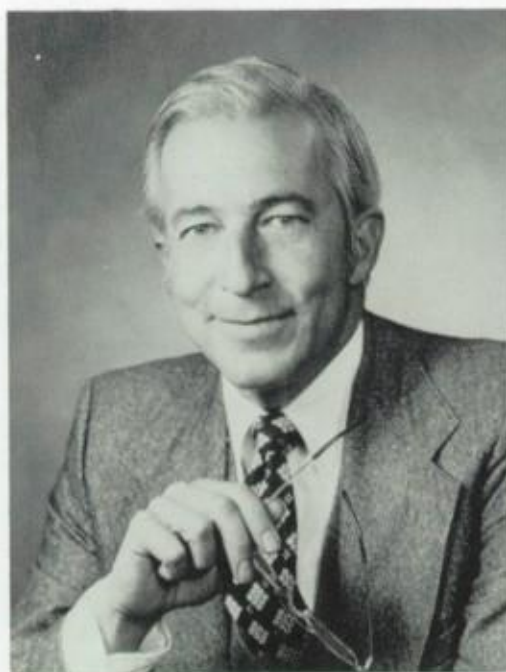

YOU NEVER KNEW

The new wave with purple hair, mini skirts, heavy make up, and punk music, it seems to have hit Jefferson. To the right Deana Ewan displays the new wave.

SOPHOMORES

SAINTS WELCOME

As Coach Pat Dougherty peps-up his spirited team the Saints Go Marching on.

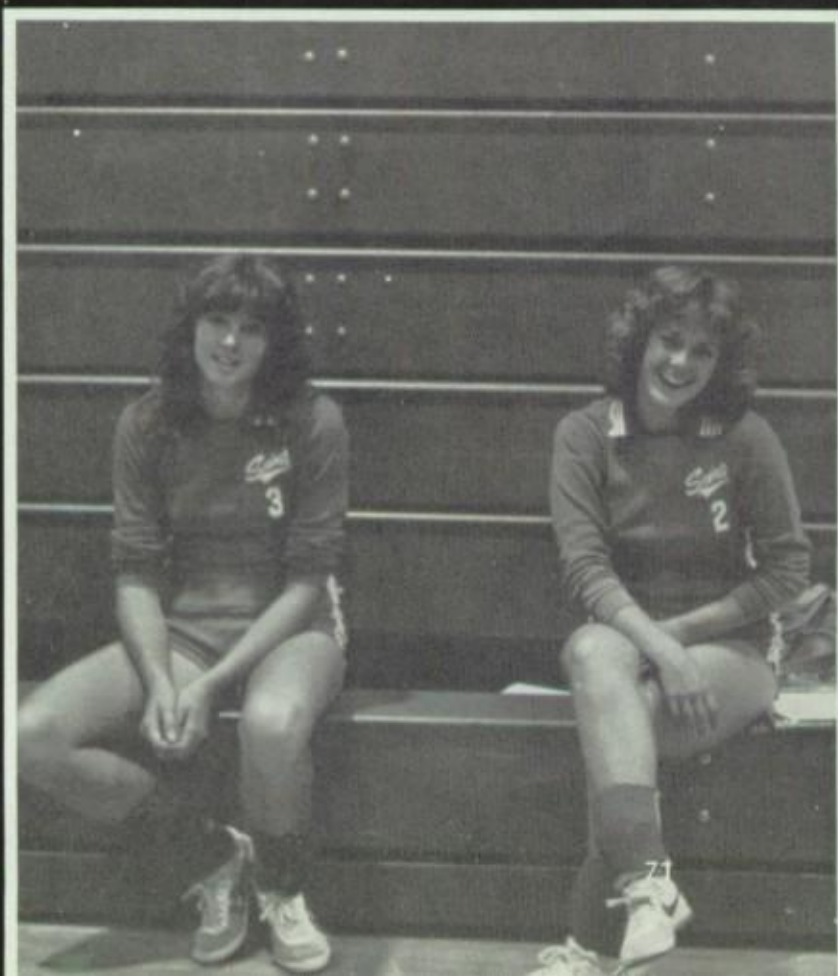

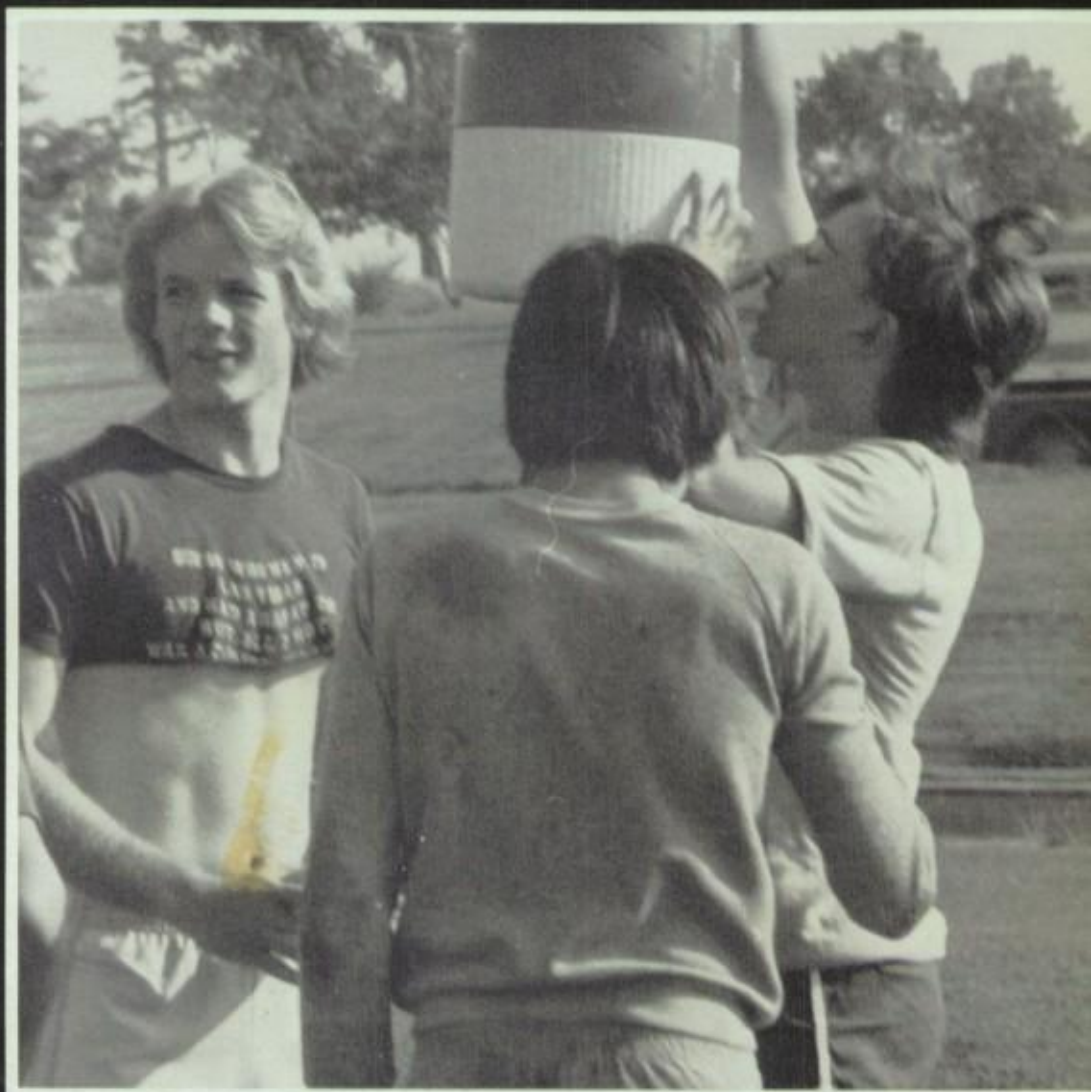

Homecoming is a big event for Jefferson High School. These two sophomores willingly donated their services to sit on top of the pop machine to dedicate Senior Pride. Remember the song "We love you Seniors"?'

SOPHOMORES

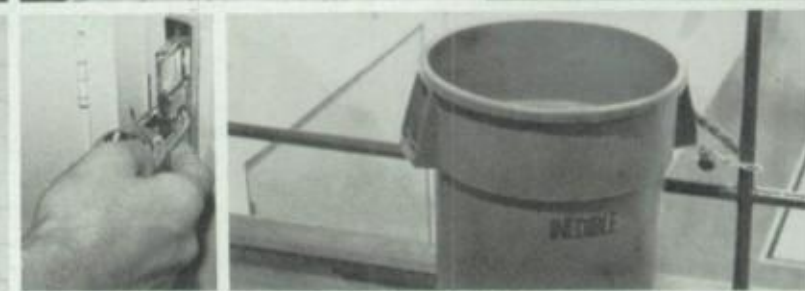

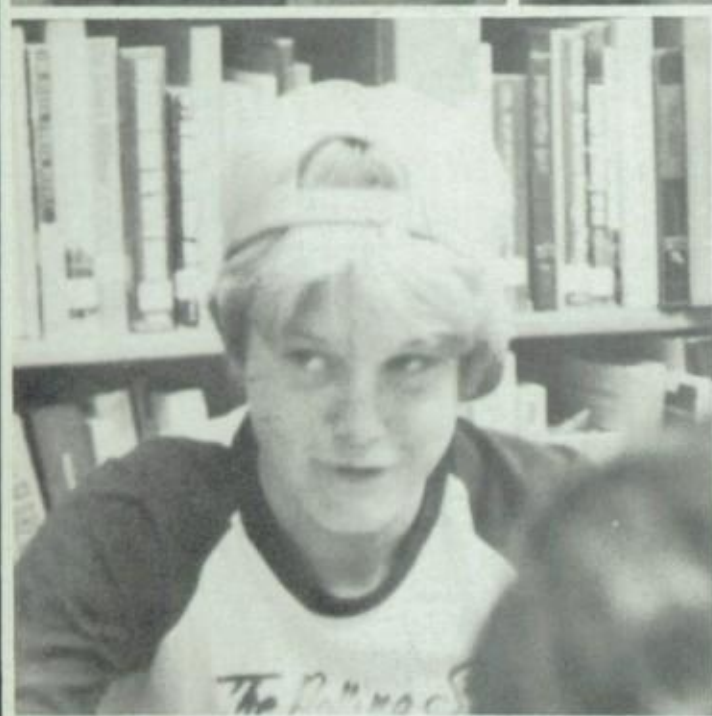

... and then you'll find Melissa Peter, always a ham for the camera.

The Saints Soccer and Volleyball teams really worked hard this season. At times they "took a lickin'" but always "kept on tickin'".

SOPHOMORES — SOPHOMORES

Sophomores soon fall into the routine at Jefferson. They exhibit much enthusiasm and are a proud addition to the Saints. WELCOME CLASS of 1985!!

One thousand nine hundred and eighty-two. This was an inspiring year in music. The music of this year did more than help some of us pass away the time, it touched our emotions. Sometimes the music gave us some direction for our lives. In some ways the music said the things we wanted to say, but couldn't. Some of us like easy-listening music, while others like something with a heavier beat and all those in between. No matter what your preference, there is always a type of music just right for your mood.

Those who are partisan to the group "Journey" got a taste of pure excitement when this group appeared here in '82.

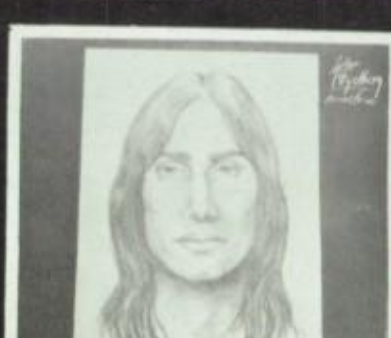

For those loyal "Dead Heads" their idols, so to speak, are still going strong. This year also said good-bye to some of the most fantastic performers this world has ever seen. Among those were Roger Daltrey, Pete Townshend, Michael McDonald, and last but not least, Mick Jagger. These demigods won't be around any longer, but their music will live on for years and years to come. Whatever your taste there is a musical group to follow.

SOPHOMORE POWER

*Hail O Mighty Jefferson
Now to you our voices raise.
Joyfully with every tongue
We will sing your praise.
We'll be true to colors red and gray
Whether we are near or far away.
Loyal Saints we'll always be
Lead us onto a victory.*

This season was definitely the year of the SAINTS. Thanks to the help of Coaches Walters, Stecklein, Blank, Brookey, and Cain, the Jefferson Saints roared over the "AAA" Football League like a hurricane. Senior, Rich Griffith, (right) led the Saints to many victories, and gave the fans a great show.

JEFFERSON SAINTS win 1982 Homecoming. Saints 24, Indians 23.

The 1982-1983 Volleyball season was great! Our awesome varsity team consisted of 11 outstanding players (9 seniors and 2 juniors). These girls were outstanding both scholastically and athletically. They contributed to every area of Jefferson High School.

The team ranked 9th out of the 12 high schools in the county. This was the first year for the Saints team to gain recognition by playing in the sub-districts.

The team has been recognized across the county by both officials and other coaches as having outstanding sportsmanship, positive attitudes and team spirit.

This year, the girls not only played together as a team, but a special kind of closeness grew between them on and off the court.

When the players think about this season, no one will forget our cut green beans and our dots.

The team stretches in preparation for a big game. 4. The girls show their team spirit after their victory over Alameda in sub-districts.

The Junior Varsity team had a great season. With a new coach (Jackie Gould) they had a lot to learn. By the end of the season they had improved 100%. The season record may not have shown the improvement but the dedication and spirit was certainly there!

What has 20 legs and wears red swim suits? The Jefferson girls swim team. The team was larger than it had been in the last 2 years. It consisted of 10 girls, 5 returning lettermen. (below) They were still out numbered by the opponents. With the help of a new coach, Mr. Chris Richmond, the team kept their spirits high. They achieved many place sets but did not win a meet. The team grew closer in and out of the pool which made the season successful.

The boy's swimming team, led by Coach Chris Richmond, gained a lot of experience and conditioning through the season. The team was composed of 5 dedicated individuals. Two freshmen from Wheat Ridge Junior High and one junior will carry on the tradition of a talented, enthusiastic, (though small in numbers) core of swimmers into the next season.

High School sports are primarily competitive, aggressive, exciting, and fun for the fans and players. Among the many sports of which all these things are a part is Girls Basketball. This group of highly athletic girls really gave their all, and they were pure excitement to watch. Their games were by no means a disappointment but a learning experience. As our old proverb states, "It's not whether you win or lose it's how you play the game."

WEIGHT LIFTERS

Clink, Clank! As each weight is put upon the bar another muscle is developed. Much devotion is required from each individual as he or she works out in the weight room during power-lifting classes or Barbell Club after school. "Pumping Iron" proves its worth in a healthier and more thoroughly conditioned body.

PHYSICAL EDUCATION

Keeping in shape through Jefferson's physical education classes, under the supervision of Mr. Bob Blank and Miss Ann Foster, provides a welcome break from the academic climate. Girls tone their bodies while boys work to build muscles in a variety of classes and activities. Basketball, bowling, weight-lifting, jogging, tennis, soccer, football, and softball provide an outlet for all interests.

Take a dozen and a half talented journalists, add a desire to produce a top quality student publication, blend with the pressure of deadlines and the frustration of either too much or too little reader response and you have this year's Saintinel staff.

The journalism crew returned this year to the task of setting up new offices inside the building after moving from the temporaries last spring. Fall brought honors from the National Scholastic Press Association in the form of a First Class award for the paper which had only been in existence for four issues. In Boulder, the Saintinel continued to win recognition by placing runner-up in the state for general excellence.

Throughout the year a semi-rotating group of diverse personalities struggled to finance, write, edit, and produce the monthly newspaper which hit a circulation peak of 1700 copies this year. But times weren't all grim. The crew learned to enjoy late night deadline pizza, Terry's cravings for Mexican food, and Mrs. Kay's spontaneous field trips.

Centre Stage is the Drama Club here at Jefferson. It is mainly a social club for students interested in theatre, but it has also been involved with community events. Centre Stage supplied workers for the Metro Denver March of Dimes Haunted House and for Jefferson's own theatrical events. The club was involved with Winterfest preparations and built a float for the Homecoming Parade. Centre Stage is officially recognized as a school organization and has a delegate in Jefferson's Presidents' Club.

TEAM WINS MANY AWARDS WHILE BUILDING SKILLS

Jefferson's forensics team is a club for students interested in building skills in public speaking. This year members were involved in and won awards at over ten meets in such events as poetic interpretation, extemporaneous speaking, duet acting, and humorous interpretation. Forensics also offers chances to be involved with cross-examination and Lincoln-Douglas debate, student congresses, and scholarship competition. Jefferson High School's chapter of the National Forensics League would like to thank 1982-83 team members for their participation, hard work, and fun times.

ART ART ART

EXPRESSION ... Ideas in clay, paint, paper, and metal come into being in the Art Department. Concentration is the key word as students in drawing, jewelry, photography, painting, and ceramics classes bring their creative ideas to life. Mr. Quintana and Mr. Hase direct a very successful program in the visual arts at Jefferson High School.

WOOD SHOP

Woodshop is full of eager students learning the finer points in woodworking technology. Every day students build on their projects cutting and sanding, working for the perfect fit and the perfect look. All of the work pays off when they see the finished masterpiece that they devised and manufactured themselves.

STUDENT COUNCIL CREATES OPPORTUNITIES FOR MEMBERS

Jefferson High School's Student Council is an organization made up of students sharing in the life of the school. It does what students and staff want it to do to reach the chosen goals of the school. It is important that we each take part in Council activities so that the Council can reflect student ideas and feelings in achieving objectives. The Student Council at Jefferson creates opportunities for each and every student to find meaning in his or her school experience. This involvement means activities like dances, parties, inter-school events, assemblies, spirit and pride weeks, awards, publicity for school events, welcoming new students, student exchanges, and leadership conferences.

FIELD GOAL DOES IT!

HOMECOMING OCTOBER 23, 1982

Mike Wade's tip toe catch set up Dave Howard's 44 yard field goal in the last three seconds of the game. The Saints went on to beat # 1 rated Cheyenne Mountain. The stadium was filled with spirit and enthusiasm as Cheerleaders and fans cheered on a final Homecoming victory of 22-21. This lead to a grand celebration that evening at the Homecoming Dance.

ON THE WINGS OF LOVE

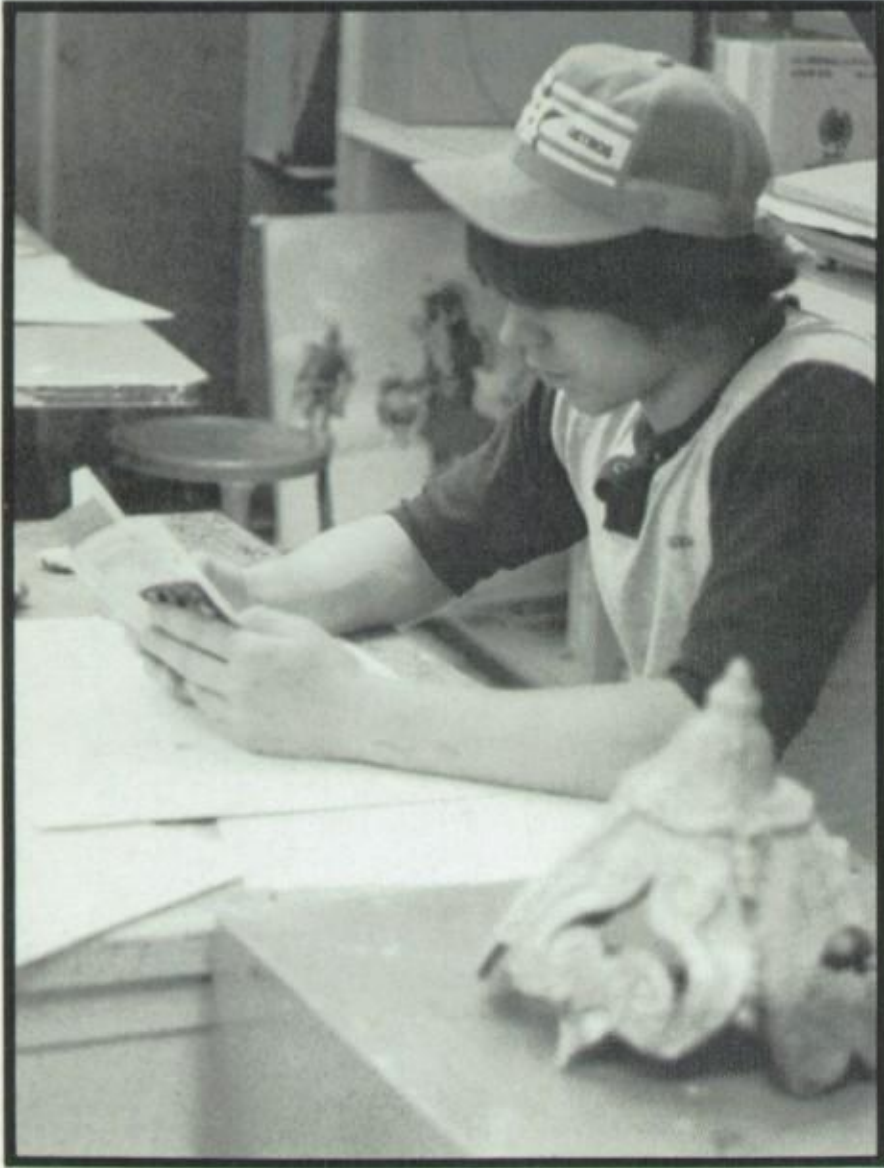

Snowball royalty left to right; Joe Lederhos, Stephanie Schmidt, Joe Cotroneo, Tia Ranch, John Fletcher, Antoinette Gesi, Terri Garrett, Tim Bottolfson.

The snowfall of March 5 provided extra meaning for the intimate dance, Snowball 1983. This annual event, where girls take the initiative to ask for a date, was well attended as romance spot-lighted the evening with music provided by "Sweetness and Company."
